### Extras

Video is a great way to show all types of memories. Each DVD can hold up to 90 minutes of high quality video and sound.

**ATV Productions** can include additional content such as

- "old" photos of the Bride and Groom
- old home movies
- "Love Story" - informal interviews with the Bride and Groom telling the story of how they met - either completed on or prior to the day of the marriage
- musical performances on the day with selected guests using an appropriate favourite track
- incorporation of the official photos as part of the DVD (the first 10 pictures are included free)
- out-takes and embarrassing moments

Three copies of the one or two volume DVD are included in the price with one copy delivered in a special presentation case. The first volume will contain the main events of the day including arrivals and the ceremony with the second volume containing the Montage (if selected as an option) and the speeches. Any copyrighted music included in the video production will need to be licensed by the appropriate licensing body. This applies to live music and to pre-recorded music that is "dubbed" onto the recording. We will obtain all the necessary licenses prior to the production of the final media copies and these are charged at cost.
